### GRAND OPENING!

A huge THANK YOU to all of you who were able to come out and celebrate our grand opening with us back on February 11th. As you can imagine, we have been so busy since then between holding classes, walk-in sessions, creating one of a kind pieces for our artisan shop, holding art parties, and just getting into the flow of running a small business. It has been the most incredible experience and we are so grateful to all of you for your support! A special thank you to the Colchester Business Association, First Selectman Andreas Bisbikos, Jack Faski, and Chris & Diane from Oz N Bones Restaurant as well as my friends and family.

### WALK-IN OPEN STUDIO

We offer a whole menu of projects you can work on including pottery painting, canvas painting, wood burning, glass painting, and clay projects during any of our open hours! Great for all ages. So grab a few friends and head on over. We are lucky enough to be located above a super yummy bbq restaurant so food, beer, and wine are all available bring on up to your creative session.
