HOLIDAY TRADITIONS

We have had a ton of fun creating with all of you over these past few months making all sorts of holiday crafts. Creating during the holidays is a tradition we hope you keep! All of us at The Color House thank you for making us a part of your holiday season and wish you all a joyous season and a very happy, safe, and creative new year!

MEET STUDIO ASSOCIATES KAYLIE & ELLA

The Color House was so excited to have a couple of studio associates who joined the team to help out during this holiday season. Kaylie is a local artist who will be attending UHartt in the fall to pursue her art degree in illustration. She also is the proud mama of Raven, her service dog, who you will see around the studio during Kaylie's shifts. Ella is a proud high school volleyball player and honor student who enjoys painting, crafting, and slime making. Welcome to the team Kaylie & Ella! (and Raven too!)
